

Music for Dessert

A Mini House Concert Series

The Hermit's Music is excited to present this opportunity for you to host mini house concerts in your home. House concerts are a growing phenomenon as people discover a whole new way to experience music.

In many ways, house concerts are a throw back to times when music was enjoyed primarily in an acoustic setting, in small intimate venues. East coast kitchen parties are a great example.

Artists from the Hermit's Music record label currently participating in this program are:

- Dave Kilbank & Paul Bezooyen

The Format:

Gather together at least 10 friends for dessert (or brunch or a bar-b-que...)
Choose an artist, arrange a date and time and... Voila ! Your house concert is ready.

Artists will play a 1 hour concert. Suggested donation to the artist is \$10.00 per person. The artist(s) will typically gift the host an autographed copy of their CD.

For logistical reasons this house concert series is only available on Vancouver Island within a 200 Km radius of Nanaimo, B.C. For more information about the artists visit www.thehermitsmusic.com
